FOR IMMEDIATE DISSEMINATION

Sterlite Tech appoints Kumud Srinivasan to its Board of Directors

— *Associated with R&D, IoT and industrial automation at Intel Corporation for 30 years, Kumud will be a Non-Executive and Independent Director*

Pune, India – May 23, 2018: Sterlite Tech [BSE: 532374, NSE: STRTECH], an end-to-end global technology leader in smarter digital networks, today announced the appointment of Kumud Srinivasan from Intel Corporation to its Board of Directors with effect from May 22, 2018.

Kumud is Vice President and Director of Non-Volatile Memory Fab Manufacturing and Automation Systems at Intel Corporation. She has spent 30 years at Intel in US, leading multiple global functions, prominent ones being R&D for technology manufacturing, industrial automation and Internet of Things for manufacturing facilities. From 2012 to 2016, she served as President for Intel India.

As a Non-Executive and Independent Director, Kumud will be on Sterlite Tech's Board for a term of five years, from the date of appointment.

“We are delighted to welcome Kumud to our Board of Directors and look forward to her guidance,” said **Dr Anand Agarwal, CEO, Sterlite Tech**. “Drawing on extensive experience with Intel in various lead positions, Kumud will provide fresh insights to our technology and business priorities as we continue to transform our business with new market entries and unified data network offerings.”

Presently based in Portland, USA, Kumud graduated in Economics from Calcutta University. She followed this up with an MLS, School of Information Studies, Syracuse University before pursuing a doctoral programme at the School of Information Studies in University of California, Berkeley.

“Kumud is a very strong technology leader with valuable experience in the US, China and India. Her experience in key industry domains including Internet of Things, R&D, manufacturing and semi-conductors will be invaluable to us as well as our customers globally,” said **Pravin Agarwal, Vice Chairman, Sterlite Tech**.

The Sterlite Tech Board also noted and accepted the resignation of Avaantika Kakkar, Non-Executive and Independent Director. The Board thanks Avaantika for her immense contribution to the company during the period she served on the Board from December 2014 till May 2018.

About Sterlite Technologies:

Sterlite Technologies Ltd [BSE: 532374, NSE: STRTECH], is a global technology leader that designs, builds and manages smarter digital networks.
